

# TREASURE HUNT: IN THE PARK!

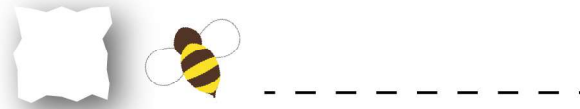

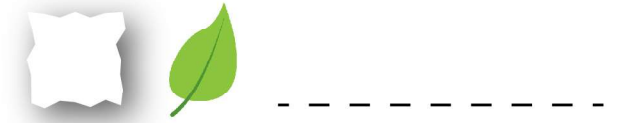

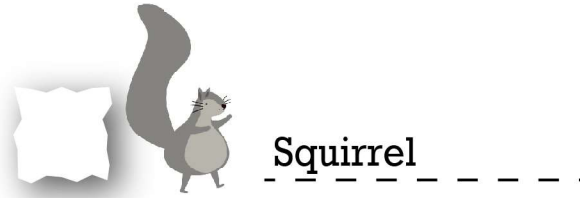

Who's ready to explore!

- Look at the pictures and name each object (Remember to ask your parent/guardian if you need any help).
- Now go and explore in the park or your garden, and see if you can find them!
- When you spot one, tick it off!

Today we are practicing:

- Memory & Recall
- Spelling & Handwriting
- Understanding the natural world

Playtime idea: Why not try racing against your siblings or friends to see who can spot all the treasure first!
